TOPICS

STRATEGIC STORYTELLING

How do you captivate & motivate people in an attention-deficit world? Stories put meaning behind your metrics and emotionally move others toward your vision & initiatives. Walk away with a game-changing, strategic framework in this hands on workshop

PERSUASION & INFLUENCE

Getting buy in for your ideas or mission is the lifeblood of business. Learn to build trust & turnaround pushback with WIIFO, shared purpose & techniques from the “Godfather of Influence,” Robert Cialdini.

EMOTIONAL INTELLIGENCE

In an age of head-spinning change, learn to manage your own emotions & guide others for greater productivity & less conflict. Become more flexible & focused for successful collaboration, even under pressure.

PRESENTATION SENSATION

For many, public speaking is a scary, but necessary, venture. Go from freakouts to freedom, from boring or unrelatable to inspiring & confident. Learn to use your voice, body & the audience’s needs to own the room when you speak.

COMMUNICATION SUPERPOWERS

Become more clear, concise & influential when you speak. Communicate effectively with stakeholders at all levels. Use active listening to build trust & learn to structure your points to raise your reputation & results.

CONFLICT TO COLLABORATION

Conflict at work is inevitable. Yet when managed well, resolving conflict can lead to deeper relationships. Get prepared for difficult conversations & successful feedback sessions for high-achieving teams.
